The Immortalists by Kyle Mills - Goodreads The Immortalists is my first book by Kyle Mills. I chose this one first (even though he's better known for his "pure" spy-thrillers) because I was curious about the medical aspect of this novel. In it, the protagonist is a "genius" scientist whose daughter has a very rare genetic disease that he sets out to cure, while also trying to figure out why other scientists studying similar diseases are being killed off.
