What happens in Vegas, stays in Vegas.

But what didn't happen in Vegas seems to follow them everywhere.

Lola and Oliver like to congratulate themselves on having the good sense to not consummate their drunken Las Vegas wedding. If theyâ€™d doubled-down on that mistake, their Just Friends situation might not be half as great as it is now.

... Or so goes the official line.

In reality, Lolaâ€™s wanted Oliver since day oneâ€™ and over time has only fallen harder for his sexy Aussie accent and easygoing ability to take her as she comes. More at home in her studio than in baring herself to people, Lolaâ€™s instinctive comfort around Oliver nearly seems too good to be true. So why ruin a good thing?

Even as geek girls fawn over him, Oliver canâ€™t get his mind off what he didnâ€™t do with Lola when he had the chance. He knows what he wants with her now ... and itâ€™s far outside the friend zone. When Lolaâ€™s graphic novel starts getting national acclaimâ€™ and is then fast-tracked for a major motion pictureâ€™ Oliver steps up to be there for her whenever she needs him. After all, sheâ€™s not the kind of girl who likes all that attention, but maybe sheâ€™s the kind whoâ€™ll eventually like him.

Sometimes seeing whatâ€™s right in front of us takes a great leap of faith. And sometimes a dark wild night in Vegas isnâ€™t just the end of a day, but the beginning of a bright new life...
