For popular high school senior Samantha Kingston, February 12â€™â€™Cupid Day"â€™â€™should be one big party, a day of valentines and roses and the privileges that come with being at the top of the social pyramid. And it isâ€™until she dies in a terrible accident that night.

However, she still wakes up the next morning. In fact, Sam lives the last day of her life seven times, until she realizes that by making even the slightest changes, she may hold more power than she ever imagined.

Named to numerous state reading lists, this novel was also recognized as a Best Book of the Year by Amazon.com, Barnes & Noble, The Daily Beast, NPR, and Publishers Weekly. It has been optioned for film by Fox 2000 Pictures.
